Unlike a conventional exhibition, visitor access is not free at EICconnect events. All visitors primarily attend EICconnect to listen to the speaker presentations and seek out new business opportunities with these companies. By taking a stand, this allows your company to align with those presenting and showcases your products and services on a level playing field. For these reasons stand holders are actively encouraged to take part in the presentations and The EIC will not insist on your stand being manned at all times. Additional Visitor Places can be purchased for the reduced rates by Exhibitors for: EIC Members £75.00 +VAT each Non Members £95.00 +VAT each.
